RUB, RUB, RUB YOUR HANDS

(In the tune of "Row, Row Row Your Boat")

Rub, rub, rub, your hands
Rub them round and round
Rub them, rub them, rub them, rub them
Rub them up and down
Rub, rub, rub your hands
Rub them round and round
Rub them, rub them, rub them, rub them
Make the germs frown
Rinse, rinse, rinse your hands
Rinse the germs on down
Rinse them, rinse them, rinse them, rinse them
Get a paper towel!
